Dear Mr. Libber,

Thank you for your request for a letter of approval to continue hosting soccer matches under the most recent County Executive Order. We once again thank you for your patience and your hard work putting together this proposal.

We are pleased to report that the Department of Health has reviewed your request and it is **approved,** provided that you abide by all of the social distancing and public safety measures outlined in your proposal. Specifically, there may not be any spectators for soccer games going forward (except for parents of children). Only players and other essential personnel are allowed on the field during matches.

Please note that this letter of approval is granted only so long as the November 10th Executive Order is in place. If a new Executive Order is issued prior to this event, you will need to submit a new request for a letter of approval. You can monitor the status of the County's executive orders at: https://www.montgomerycountymd.gov/covid19/orders.html.

Please do not hesitate to contact us if you have questions or concerns.

Thank you and stay safe.
