Dear SoccerPlex Community,

Based on current recommendations from the CDC, Maryland Department of Health, and the Governor of Maryland's Executive Orders, the Maryland SoccerPlex and Adventist HealthCare Fieldhouse are closed until **at least April 24, 2020**. All outdoor fields and the fieldhouse will be closed to the public during this time. All events, leagues, and programs scheduled during this time have been suspended or cancelled.

We are still working on various scenarios based on estimated reopening dates for rescheduling SAM Leagues, other leagues such as, MSI, NCSL, EDP, CCL, camps, clinics, and events held at the Maryland SoccerPlex and the Adventist HealthCare Fieldhouse. The health and safety of our participants, guests, and staff is always the highest priority for us and we will continue to follow the guidance of the various governmental and health related agencies during this crisis. We are, however, continuing to plan for the return of activities to our facility. The Maryland Soccer Foundation is determined to help our community return to normal as fast as possible when it is safe to do so.

Please note that our staff is currently working remotely, and we do not have access to answer phone calls at this time. If you have direct inquiries please email info@mdsoccerplex.org or info@samsoccer.org. Please be aware that there may be a delay in response due to the high number of inquiries. As previously stated, decisions about refunds have not been finalized and will not be completed until a more clear picture of our potential reopen date can be established. Priority will be placed on rescheduling all activities and events prior to complete cancellations.

We thank you for your patience and we hope you and your family stay safe.

Respectfully,

Matthew Libber
Executive Director
Maryland SoccerPlex
