SAM Sit Out Form.....	Appendix A

All SAM rules herein are final. Questions or concerns may be brought to the attention of the league commissioner by a team official (head coach, assistant coach or team manager). Parental concerns should be sent to the league through the team coach or manager.

All SAM participants shall practice good sportsmanship, fair play, safety and sound fundamentals at all practices and games.

The SAM TEAM reserves the right to remove any coach, player or team whose conduct is considered detrimental to the best interests of SAM and the teams within the league.

*SAM rules are based on FIFA Laws of the Game with modifications.
Modifications are specified below.*

Playing Time

All players are required to play a minimum of 50% of every game. It is recommended that no player play more than 50% of the game as a goalkeeper.

Equipment and Uniforms

All players must wear the SAM issued uniforms and also have shin guards under their soccer socks. Cleats are recommended, but not required. Metal cleats are not permitted. Players returning to the same team in the spring will wear the uniform issued to them in the fall.

All jewelry, including pierced earrings, must be removed, (no rings, bracelets, necklaces, etc.). Earrings need to be fully removed prior to the start of the game. Covering them with tape or a Band-Aid is not permitted.

Long hair may be tied back. Hard clips and accessories are not permitted.

Field Equipment

All equipment is to be left as it is set-up. Goals are not to be moved in any way. If you feel there is a problem with the positioning of a goal, please contact SAM Soccer at 301-528-1480 and someone will verify the positioning and move the goals if required.

Rosters

Players are not permitted to play on two (2) SAM teams within the same age group in the same season. Players are not permitted to “play-up” more than one age group. (*Extenuating circumstances that would result in an exception to this rule may only occur with approval from the league administrator.*) Players are not permitted to “play down”.

Coaches are not to recruit players from other teams. They are also not to add/drop players from their team without permission of the league administrator. All rosters are created by SAM, not coaches.

All requested age verification must be done before the season starts so rosters are accurate.

Unattached players who are placed by SAM league management on a team that charges additional coaching or training fees will not be charged the additional fees for the first season. If the player remains on the team in subsequent seasons, the family can be charged the additional fees.

Minimum Number of Players

Teams must be ready to play at the scheduled kickoff time. The minimum number of players required to play is listed below in the age-specific rules. If teams do not have the minimum number of players, they will be granted a ten (10) minute grace period. If the minimum number of players is not present after the grace period, that team will forfeit the match. (Players must be ON THE FIELD and ready to play.) For Under 8, Under 9, and Under 10 age groups, the minimum number of players to start the game shall be five (5). For all other age groups, the minimum number of players shall be seven (7).

Carded or Unregistered Players on Teams

Players possessing a current player card for playing in a travel league (MSYSA, US Club Soccer, MSI Classic, NCSL, EDP or SAM SELECT) are considered travel/select players and are not permitted to play on SAM recreational teams. Teams using a carded or unregistered player will forfeit all games in which that player participated and will be ineligible for post season awards. Additionally, carded players will be removed from the roster.

In addition to forfeiting the game, other sanctions for the use of carded or illegal players may be the deduction of standings points, suspensions of team officials or removal of the team from the league.

Age Verification

All Recreational league players in U9 and older age groups must submit proof of age prior to the start of the season. Acceptable documentation for proof of age is a copy of a birth certificate, passport or state issued ID. Players who have not submitted proof of age by opening day will not be allowed to play. This is a one time requirement so if a player has submitted POA in a previous season, there is no need to resubmit in subsequent seasons.

Sanctioning – Players

If a player receives a red card, he/she may not participate in the team's next game but MAY attend the next game as long as he/she is not in uniform or other team wear. At the conclusion of the sit out game, the team must complete the Red Card Sit Out Form (see Appendix A) and submit to the league within 48 hours of the completion of the game. Failure to do so may result in a minimum of one additional sit out for the player or his/her coach.

Red cards can not be appealed.

Sanctioning – Coaches and/or Spectators

Coaches are responsible for their players and parents/spectators and may be issued a red or yellow card in the event the team's spectators behavior is unacceptable and can't be controlled in the eyes of the referee. Referees warn coaches by using a yellow card for the first warning and issue a red card if the warning is not adhered to. For egregious behavior, a referee can issue a red card without having issued a yellow card first. Failure to follow the referee's direction may result in forfeiture of the game and potential disciplinary action from SAM Soccer. If a coach receives a red card, they will be ejected from the game and will not be permitted to attend the next scheduled game at a minimum. Coaches who receive a red card must immediately leave the field and sit in their car and/or leave the complex and may not return to the field after the completion of the game.

Spectators might be shown red or yellow cards. In instances when they are asked to leave the field by a referee, it constitutes a red card offense regardless of whether one is actually shown. If a spectator is removed from the game, they must immediately leave the field and sit in their car and/or leave the complex and may not return to the field after the completion of the game. If a spectator receives a red card, they may not attend the team's next game.

If a coach or spectator receives a red card, he/she may not attend the team's next game. After the sit out game, the team must complete the Red Card Sit Out Form (see Appendix A) and submit to the league within 48 hours of the completion of the game. Failure to do so may result in a minimum of one additional sit out for the player or his/her coach. Sit Out Forms must be completed for coaches, players, or spectators if an ejection has occurred.

Red Cards can not be appealed.

Other than commending them for a play well done or congratulating them after a game, adults may not directly address players from the opposing team.

Coaches may not terminate a game by removing their players from the field prior to the end of the match **for any reason**. Doing so results in an automatic forfeit loss for the team that refuses to finish the game. Teams that refuse to finish a game are also ineligible for post season awards for that season of play and may be subject to further sanctions, possibly including banishment from the league.

Team Sportsmanship Liaison

At each game, all U8 and older SAM teams will be required to designate one person from their team to be the Team Sportsmanship Liaison (TSL). We are confident that many difficult issues that arise at SAM games can be avoided if each team designates one adult from their team to fulfill the role of TSL.

Role of the TSL

- Prior to each game the TSL from both teams should identify themselves to each other and to the referee. We suggest that the TSLs accompany the team captains to the center circle at the beginning of the match to meet with the referee. **THE REFEREE SHOULD NOT START THE MATCH UNTIL BOTH TSLs HAVE BEEN IDENTIFIED.**
- The TSLs should discuss with the referee and coaches what role the TSL will take in the event the sidelines begin to negatively impact the match or the referee's ability to do his/her job, including:
 - Ensure the team spectators/parents remain in the area of the field designated for spectators.
 - Be the "cooler head" should sideline behavior become extreme.
 - Be the first point of contact should the referee feel he/she needs help due to inappropriate sideline behavior.
- TSLs should promote a "positive" sideline atmosphere for both players and spectators, and discourage the use of negative comments directed at players, coaches, or referees, or sideline jokes or humor that may not be appropriate in a public or group setting.
- If sideline behavior results in a SAM Code of Conduct or Rules and Discipline (R&D) hearing, the TSL may be asked to participate.
- The TSL does not need to be the same individual at every game but should always be someone who takes the responsibility seriously and who is not afraid to address poor behavior by a fellow team parent.
- It's important that the TSL be present on the parents sideline so it should not be the coach or manager.
- TSLs are responsible for addressing inappropriate behavior for their OWN TEAM ONLY. They are not to address the opposing team's behavior.

Referees

Referees are scheduled for every game U8 and above. If the referee does not arrive at the scheduled start time, the game may be played with volunteer referees agreed upon by the coaches. If both teams agree to play with a volunteer referee, the result of the game will stand. Referee "no shows" must be reported to the SAM Soccer Program Manager by the team coaches so appropriate action can be taken with the referee assigning association.

SAM Soccer fully endorses a zero-tolerance policy for referee abuse. Coaches will not dispute the ruling of a referee or assistant referee while the game is in progress and will instruct their team and spectators to refrain from doing so. In all cases, they will follow the directions of the referee. Clarification of a ruling may take place only with the referee's approval during an official break in play or when the referee indicates it is appropriate.

In soccer, as in many other sports, referees are given discretionary leeway to make judgment calls. Players, coaches and spectators alike often misunderstand this liberty. Players and spectators sometimes question a referee's calls, particularly in a closely contested game, and feel strongly enough to lodge a complaint with SAM against the referee. The vast majority of these complaints involve judgment calls, in which the referee's opinion or judgment prevails. **Therefore, judgment calls may not be appealed.** Some examples of judgment calls include the following situations: whether a ball is in play or out-of-bounds; whether a foul occurred; whether or not a player was offside. On-field criticism does not set a good example for players. It also discourages and demoralizes referees. On the other hand, please notify the SAM office about those situations in which a referee's behavior is inappropriate during play. Inappropriate behavior may include the use of abusive language, over-familiarity with players or inappropriate physical contact with players. An appeal of a referee's ruling may be made only when the situation involves the misapplication of a rule.

Games & Practices

Teams cannot play their games or hold a practice unless a "SAM-approved" coach or assistant coach is present. "SAM-approved" coaches, assistant coaches and volunteers **MUST** have completed a background check and concussion protocol certification by the no later than two weeks prior to opening weekend. All team activities must be supervised by at least two adults.

Benches & Spectators

Only players/coaches may occupy the provided benches.

No coaches or spectators are allowed on the field or behind the goal line during the game with the exception of when injuries occur and the referee has given permission. Coaches must remain between the top of the penalty areas while on the sidelines. Coaches and spectators must stay on their team's half of the field until the completion of the game. Coaches cannot cross the half line to coach their team even when the teams have switched sides.

All spectators must stand/sit completely off the field and, on natural grass fields, in the taller grass to limit damage to the fields. For full-sided games and small sided games on synthetic fields, spectators are to be on opposite side of the field from the players/coaches. For small-sided games on natural grass fields, spectators must sit behind the teams.

Throw-Ins

U6/U7 teams can either make throw-ins or play with kick-ins. In U8 and above age groups, throw-ins will be used. The referee will make the determination if the throw-in is legal. Both feet must be on the ground and the ball must be thrown from behind the head with both hands.

Goal Kicks and Build Out Lines (U8-U10)

For U6 and U7 games, there are no goal kicks. For U8, U9 and U10 games, all players must stand behind the build out line when goalkeeper distributes the ball. The build out lines allow for goalkeepers to pass, throw or roll the ball out from the defensive third of the field to his/her teammate. **NO PUNTING OR DROP KICKS ARE ALLOWED.** The opponent must retreat back behind the build out line. Once the ball leaves the goalkeepers hands, the opponent may then pressure the ball once again. Play resumes as normal. Build out lines will be used for the U8, U9, and U10 divisions.

PLAYERS CANNOT BE PENALIZED FOR AN OFFSIDE OFFENSE BETWEEN THE HALFWAY LINE AND THE BUILD OUT LINE, PLAYERS CAN BE PENALIZED FOR AN OFFSIDE OFFENSE BETWEEN THE BUILD OUT LINE AND THE GOAL LINE

Heading

Heading is not allowed for players playing in the 11U and below age groups. *In adherence to the new US Soccer requirements, referees have been instructed by U.S. Soccer of the following:*

When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate *header* occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.

Lopsided Rule

When a team reaches a five goal (5) lead the leading team must remove one player. When the lead drops below five goals (5), the leading team may put a player back on the field.

Injuries

On all game dates, an athletic trainer is on site and available. Please call the athletic trainer directly to help assist with any injuries. The number is 240-801-2006

Noise Makers

Noise makers, including air horns, are not allowed at games.

Lightning Detection and How It Works

The Maryland SoccerPlex is equipped with a lightning detection system. The purpose of this system is to protect patrons using the facility when dangerous storms pass through.

Sensors have been installed on the roof of the Adventist HealthCare Fieldhouse, Splash Park and the Mini Golf building. When dangerous conditions exist, the following steps will take place:

- Horns on the roof will sound for 15 seconds
- The 15-second blast indicates ALL patrons must immediately go to their cars
- This 15-second horn will blast when dangerous conditions have been identified, even if you do not see lightning, do not ignore this signal
- When dangerous conditions no longer exist, the horns will blast three (3) shorter blasts.

What to do When the Lightning Alarm Sounds

- Immediately leave the field and go to the nearest shelter.
- DO NOT LEAVE THE COMPLEX
- Wait for the all clear signal (3 blasts of the horn)
- Once the all clear signal sounds, go back to the field and resume the match where you left off

The Maryland SoccerPlex Operations staff continually stays up to date with weather forecasts and radar information. If it appears that the weather will not clear and games cannot resume, the facility will close. Closure information will be posted on the SAM homepage, www.samsoccer.org and the SoccerPlex Weather Hotline, 301-528-1497.

Lightning Delay Policy

The following will apply to SAM Soccer games in the event of a lightning delay.

If the game has reached halftime at the time of the delay:

- If a lightning delay occurs with 15 minutes or less remaining in the game, the game is terminated and the score at the time of termination will be the final score.
- If a delay or a combination of multiple delays reaches 30 minutes of total delay time, the game is terminated. The score at the time of the termination will be the final score.

If the game has not yet reached halftime at the time of the delay:

- The delay or combination of delays has not reached 30 minutes; the game will continue. Teams must wait until the "all clear" horn (three short blasts) has sounded to resume play. The game will continue to completion assuming no further delays are sounded.
- If a delay or a combination of multiple delays reaches 30 minutes of total delay time, the game is terminated. Any game terminated prior to halftime will be rescheduled to a later date.
