**The Maryland SoccerPlex Rules for Outdoor Adult Soccer Leagues are governed by FIFA Laws, modified for outdoor play. The following rules shall precede FIFA Laws if conflict with said rules should arise.**

### **PRIOR TO THE START OF THE SEASON**

**Payment:** All teams must pay a \$200.00 deposit when registering to be considered in the league and work on their schedule. Any team missing the deadline for deposit will be removed from the league and the spot will be offered to a different team. This deposit is included and deducted from the entire team fee.

In addition, all participating teams must have **FULL** payment by the kickoff of the first game. If a team misses the deadline for payment on their first game, the game will be recorded as a forfeit without being reverted even after posterior payment. Note that, the Maryland SoccerPlex will only take payments from a team captain/coach or manager and splitting the team fee for individual payments won't be allowed.

Finally, in the event a refund is requested by a team, a \$50.00 non-refundable administrative fee will apply and if the refund is requested once the schedule has been created and posted no refunds will be issued. Reasons for a refund request includes and are not limited to division placement disagreement, scheduling disagreement, lack of players to fill a team, lack of payment from players to captain or manager.

**Schedule Request:** A team can place a schedule request before the deadline for each session. However, this request is not 100% guaranteed. Note that the deadline for deposit and schedule requests is the same and all schedule requests after the deadline will be discarded.

**Divisions and Brackets:** Every team can request the division or bracket which they consider fit best for their skill level. However, Divisions and brackets will be made based on the roster, past records (including behavior records) and recent standings.

## ROSTERS

A new roster is required for each session for all adult leagues. A roster must be in before the season starts or the team will not be permitted to play. A roster generated by **LeagueApps** will be the roster used for the games. See below a few considerations about rosters:

- ☐ A maximum of 14 players are permitted on the roster.
- ☐ In addition to the players a maximum of 1 additional adult (coach or otherwise) is permitted on the player's bench and no coaching is permitted from the opposite touchline.
- ☐ At least 7 players must be rostered for the first game.
  
- ☐ No individual will be allowed to participate in the league unless he has been properly registered in the roster. No guest players will be allowed.
- ☐ A registered player may play in more than one Adult League (Men's Open (18+), 30+, 40+, 50+, Coed). However, a player may not play on multiple teams in the same division or bracket.
- ☐ Check-in is required prior to every game, for every team and every player. Failing to check-in will automatically record the game as a forfeit for the team failing to do so even if the player is registered.
  - 1. When checking in, please provide your name and the name of your team to the field supervisor on site.
- ☐ The administration will freeze rosters at kickoff of the team's 3<sup>rd</sup>. match. **No exceptions.** Any team using an illegal player will at a minimum, forfeit the game the player participated in, and the team plays down one player for the duration of the game.
- ☐ Protests of illegal players should be made prior to the start of the game (to the referee or field Supervisor). Illegal/Ineligible players include:
  - 1. Player(s) not listed on the **official** roster or double rostered in the same division/bracket.
  - 2. Player(s) not meeting the minimum age requirement of the program or not checked in.
  - 3. Player(s) serving a RED CARD suspension.
- ☐ If a team is found using Illegal/Ineligible players, the team will forfeit the game automatically.

## **EQUIPMENT**

**Ball:** Size 5 soccer ball required. Must be provided by the HOME TEAM for each game.

**Footwear:** Standard molded cleats, turf shoes and flats are the only acceptable footwear.

**Shin Guards:** Players **MAY NOT** participate **WITHOUT shin guards.**

**Uniforms:** The Adult League provides a set of 14 jerseys to each team when they register for the first time during the outdoor season. Colors will be assigned randomly to avoid conflicts in your bracket and will have a standard size breakdown that includes all sizes from Adult Medium to Adult XX Large.

Note that we only provide uniforms to teams once a year and captains or managers should ask jerseys back at the conclusion of every session to provide new players for further sessions.

1. A team can use their own set of jerseys, but they must all wear the same type of jerseys and must have numbers on the back.

**Jewelry:** Except for wedding bands, no jewelry (necklaces, piercings, earrings, bracelets, soft wristbands, hair bands etc.) are permitted to be worn on the field. Disciplinary action shall be taken against all offenders.

**Other:** Braces, splints, soft casts etc. must be approved by the referee prior to the start of the game. The referee has final approval of all safety equipment worn during the game, provided it is not a danger to themselves or others.

## **FIELD DIMENSIONS**

The Adult Soccer League follows FIFA rules as modified for small-sided play. All field sizes are within regulation boundaries put forth by US Soccer (Diagram below and Field size may vary).

## DURING THE GAME

### **Number of players required on the field per program:**

#### **Men's Open (18+), Men's 30+ : 7v7 format.**

- ☐ **Maximum:** 6 field players + 1 goalkeeper
- ☐ **Minimum:** 5 players must begin, continue, and conclude each match

#### **Men's 40+, Men's 50+ : 8v8 format.**

- ☐ **Maximum:** 7 field players + 1 goalkeeper
- ☐ **Minimum:** 6 players must begin, continue, and conclude each match

#### **Coed Open (18+) : 7v7 format.**

- ☐ **Maximum:** 6 field players + 1 goalkeeper
- ☐ **Minimum:** 5 players must begin, continue, and conclude a match. *A minimum of 2 females (excluding goalkeeper) on the field at all times. A team may begin, continue, and conclude a match with 1 male or female but the team must play with 4 field players + 1 goalkeeper.*

**Team Benches:** Only rostered players and 1 coach per team are allowed on the benches. No spectators are allowed on the team's benches. If a team is failing to keep their benches as advised, the following protocol will apply:

- 1. First time infraction:** Team captain will serve a 1 game suspension.
- 2. Second time infraction:** Team will forfeit the game.
- 3. Third time infraction:** Team will forfeit the game + Won't be eligible for playoffs.

**Duration of Play:** There are two 25-minute halves with a 2-minute halftime. (No stoppage or time added to regulation games).

The official will start the game clock as scheduled, but if either team has fewer than the minimum number of players a **five (5) minute grace period will be allowed** to produce the minimum required. (The clock runs during the grace period and time is not added to the end of the game.) If a team does not have the minimum number of players required after the grace period, a forfeit shall be awarded to the opposing team, with the resulting score registered as a 3-0 result.

**Terminated Games:** If the official must terminate a game due to weather or other necessary circumstances, the following rules shall apply:

- ☐ If the game is terminated after the first half has been completed, the game will be considered a complete game and the score at the time the game is terminated will stand.
- ☐ If the game is terminated prior to the first half ending, the game will be rescheduled by the Maryland SoccerPlex staff later and the score will revert to 0-0.

**Inclement Weather Protocol - WeatherBug Lightning Detection System:** The purpose of this system is to protect patrons using the facility when under the threat of dangerous storms. Sensors and a weather station have been installed on the roof of the Adventist HealthCare Fieldhouse. When a lightning strike occurs within ten (10) miles of the Maryland SoccerPlex, the following protocol will apply:

1. Horns on the roof will sound for 15 seconds.
2. The 15-second blast indicates ALL patrons must immediately go to their cars. Even if you do not see lightning, do not ignore this signal.
3. When there has been no lightning strike within ten (10) miles for a continuous 15-minute period, the horns will blast three (3) times, each blast is five (5) seconds.
4. You may return to the field after the three (3) shorter blasts have sounded.

**Forfeited Games:** Forfeited games will be recorded as 3-0 scores and 3 points in the standings for the non-forfeiting team. A team that does not show up to a game or does not have the minimum number of players after the 5-minute grace period forfeits the game. In addition, any team walking off the field before the end of either half to protest a referee's decision or Maryland SoccerPlex policies will forfeit the game.

- ☐ If a team is not able to play a scheduled game, the team captain or manager must send a written notification to the administration before 1 pm on the game's date. Failing to do so and no show up to the game, will record the game as a 3-0 loss for the forfeiting team, in addition to 1 point loss in the standings and the team **may not be eligible for playoffs.**

1. In the case a team reaches enough points to qualify for playoffs during the regular season phase but is ineligible due to forfeiting without notification or walking off the field to protest a referee's decision, the immediate next team with

most points in the standings will take its place in the playoffs. However, all teams will be guaranteed 8 games as agreed.

- If a team is not able to play a scheduled game and notify the administration before 1 pm on the game's date, the game will be recorded as a 3-0 loss for the forfeiting team, but the mentioned team may be eligible for playoffs and no additional points will be deducted in the standings.
- If a team notifies about a forfeiture, the administration will notify the opposing team about the status of the game, and the opposing team won't be required to show up to the field. However, the opposing team still can use the field space for training.

**Reschedule Request:** If a team can't play a scheduled game, they can ask for a reschedule. These requests must be notified to the administration **by email only** 5 business days prior to the game. Every rescheduling request within less than 5 business days will be discarded. In the event a reschedule request is successfully placed the following protocol will apply:

1. Notification email from the administration to both team captains with available dates and hours of the potentially rescheduled game.
  2. Confirmation email from both team captains in which they agree to a new date and hour offered by the administration. **(This step must be completed in no less than 24 hours since confirmation. Otherwise, the reschedule request will be discarded).**
  3. Notification email from the administration to both team captains confirming the game has been rescheduled and system updated.
- Even if the rescheduling request has been placed correctly, there's not a 100% guarantee of the rescheduling taking place. This may vary depending on fields, referees and field supervisor availability.

**Kickoff:** The ball may be played in any direction on the first touch. A goal can be scored on the first touch.

**Substitutions:** Unlimited "on the fly" substitutions. Must occur at the halfway line and must not interfere with the flow of play. An indirect free kick shall be awarded for any improper substitution. Improper substitutions may result in a YELLOW CARD.

**Offsides:** There is **NO** offside in our outdoor league.

**Slide Tackling:** Slide tackling an opponent is **not permitted** under any circumstance. (See rule for goalkeepers.) The minimum penalty will be a direct free kick awarded to the opposing team. Additional disciplinary action (including but not limited to a RED CARD and game suspension) may result in

intentional, repeated, or violent slide tackling.

**Restart Rules:**

- ☐ **The “6 Second Rule”:** A restart must occur within 6 seconds of placing the ball for a free kick, corner kick, throw-in, or goal kick. Failure to do so will result in a caution and an indirect free kick for the opposing team at the spot, or if the spot inside the penalty area, immediately outside the penalty area.
- ☐ **The “5 Yard Rule”:** Opposing players must give five yards on all direct kicks, indirect kicks, and corner kicks. Failure to do so may result in a re- kick. A **YELLOW CARD** may be awarded upon Referee’s discretion.

**Specific Rules for Goalkeepers:**

- ☐ Punts and drop kicks are **not permitted**. The ball must be distributed by a throw, normal place kick or kick from a dribble.
- ☐ Goalkeepers must release the ball within 6 seconds after gaining possession and returning to their feet.
- ☐ Goalkeeper may NOT use his/her hands if the ball is intentionally passed (with their feet) to him by his own teammate.
- ☐ Failure to abide by the above mentioned rules will result in an indirect free kick immediately outside the penalty area.
- ☐ Keepers may use unlimited steps to bring the ball to the boundary of the penalty area.
- ☐ Keepers are permitted to make a sliding save or slide tackle within the penalty area.

**Injuries:** Any player who is bleeding must leave the field of play immediately. Time will not be stopped for injuries. However, the game will be stopped to allow the injured player to leave the playing field safely while time moves on.

Use common sense to determine the gravity of an injury, notify our onsite staff about the injury to provide any assistance possible. In case an injured player is unconscious or not breathing, please call 911 as soon as possible and notify our onsite staff to provide any assistance needed.

If a 911 operator is asking for your location, please provide the following address: **18031 Central Park Circle, Boyds, MD, 20841 – Synthetic turf fields (#18,19, and 20).**

**AEDs:** An automated external defibrillator (or AED) is a portable electronic device that automatically diagnoses a person's potentially life-threatening cardiac arrhythmias of ventricular fibrillation and ventricular tachycardia. There are six (6) devices installed at the complex in the following locations:

- ☐ Inside the Adventist HealthCare Fieldhouse, directly across from the front desk (next to the trophy case).
- ☐ One in each satellite restroom building (Comfort Stations 1-4). Synthetic turf fields (CS4).
- ☐ One attached to the pole on the scoreboard at the Stadium field.

**Ball out of play:** If the WHOLE ball has crossed the goal line or touchline, whether in the air or on the ground, the restart is a goal kick, corner kick or throw-in.

**Penalty Kicks:** Players taking penalty kicks are limited to the players on the field as time expires. The kicker is not limited to a one-step approach but must wait for the referee to blow the whistle to approach the kick.

### **POINTS SYSTEM AND PLAYOFFS**

**Points System:** Three (3) points for a win, One (1) point for a tie, and Zero (0) points for a loss.

There is no overtime in any Maryland SoccerPlex adult soccer games. Games tied at the end of regular time are recorded as ties, except for playoffs.

**League formats and Playoffs:** The Adult Soccer League has multiple league formats and playoffs formats based on the number of teams on each bracket/division. See below the different formats offered that could determine the championship winner of each division:

- ☐ **Most points format:** On this format the 1<sup>st</sup> team listed in the standings with most points at the conclusion of the 8<sup>th</sup> game will be the championship winner.
- ☐ **7 regular season + 1 playoff format:** On this format the 2 top teams in the standings with most points at the conclusion of the 7<sup>th</sup> game will play the championship game to determine the division winner. All the rest of the teams will play a consolation game.
- ☐ **6 regular season + 2 playoffs format:** On this format the 4 top teams in the standings with most points at the conclusion of the 6<sup>th</sup> game, will play the playoffs (Semifinals and Final). All the rest of the teams will play 2 consolation games.

Note that all teams will play eight (8) games guaranteed.

**Tiebreaker:** Ties for Playoff position and for Playoff participation will be broken down utilizing the criteria set forth below:

1. Head to head competition (only used for ties between two teams)
2. Most wins
3. Bonus points earned (Bonus points are awarded to winning teams, up to a maximum of three (3), based on goal differential and used only for the purposes of breaking ties. (A team winning 3-0 or 6-2 would receive three (3) points. A team winning 3-1 would receive two (2) bonus points. No bonus points are earned for a tie or loss.)
4. Least goals allowed
5. Most shutout wins
6. Flip of a coin (only if tie cannot be broken using above steps)

In the event of a tie among more than two (2) teams, once a tie is broken by the above system, and if ties among remaining teams still exist, those ties are broken by starting again at the top of the tie-breaking system (start at step 1 if two teams are still tied. Start at Step 2 if more than two teams are still tied).

**No ties during Playoffs:** Playoff games must result in a winner. In the event of a tie at the end of regular time in playoffs, there is NO OVERTIME. Teams go directly to penalty kicks. Three kickers from each team will be chosen from the players on the field at the end of regulation time. If still tied after 3 kicks, sudden death penalty kicks will commence.

If there is still a tie and no more time to play, a representative from both teams can agree to a coin-flip to be conducted by the referee or a Maryland SoccerPlex staff to break the tie.

### **CONDUCT POLICY**

**Sportsmanship:** Individuals are expected to play under control and within the rules of the game, and to the best of their ability will avoid causing injury to themselves and others using the facility.

**Yellow Card:** Any player receiving a YELLOW CARD must return to their bench with a replacement for 2 minutes. A yellow card can be issued to those players on the field or those players on the bench.

**Red Card:** A RED CARD will result in the ejection of the player for the duration of the match without replacement. **This means the team receiving the red card will play with 1 player down the rest of the game.** A RED CARD can be issued to those on the field and those on the bench. Additionally:

- ☐ The player receiving the RED CARD **must leave the playing area** and go to the parking lot, accompanied by a team representative when possible.

- ☐ In the event of a coach or bench players receiving a RED CARD, the team will play a man down for the remainder of the match and the coach/bench player will be asked to leave the playing area and go to the parking lot.
